

## 2024 Palomino Rabbit Co-Breeders Association Youth Achievement Contest

***Using available technology on a PC or Mac device, create a PowerPoint, Keynote or Google Slides presentation answering the following questions.***

1. Begin by telling us a little about yourself. How old are you? Where do you live and what school do you go to? Besides rabbits, what other hobbies do you enjoy or activities do you participate in?
2. How long have you been a member of the PRCBA? How long have you been breeding and showing Palominos? What varieties do you raise? Why did you choose the Palomino breed?
3. Do you hold any officer positions or serve on any committees in any rabbit related organizations like 4H, local ARBA clubs or FFA? Please explain your role in these organizations.
4. Design an advertisement that you would use to promote the Palomino breed and the Palomino Rabbit Co-Breeders Association, PRCBA. Consider how you would increase knowledge of the breed and how to encourage others to become active in breeding and or showing Palominos?
5. Create a collage of the award(s) you have won with your Palominos? On the next slide include a picture of yourself, your rabbits, and the most important award(s) you yourself have won through your work with your Palominos? Please add text saying why you consider them the most important.
6. Design a slide that showcases how many shows you attended this past year with your Palominos, how many Palominos you registered and any that hold Grand Champions status.
7. What goals did you set for your rabbit project when you first started? What goals have you achieved up to this point?
8. How does setting goals and achieving them help you in the future?
9. Add additional slides with what would you like us to know that we have not asked?
